Isis Crawford : A Catered Mother's Day (A Mystery With Recipes) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Catered Mother's Day (A Mystery With Recipes):

1 of 1 people found the following review helpful. Isis Crawford has done it again!By Jwb52zThis book was just what I needed at this time in my life. It was a welcome diversion from all the hassle and unpleasantness. I still love these characters and they get better every time. The mystery that Isis Crawford builds is not so easy that you have it figured out from the start, at least in my case, but it's not so complex or convoluted that you get a headache from trying to put it together either. I won't bore you with a plot summary as I know other reviewers are fond of doing that. I appreciate that this book has chapter demarcations. Chapter demarcations make it so much easier to find a stopping place when you need to do so or to see how close you are to the end of a chapter. If you liked the previous books in this series, I say you should give this one a shot because I don't think you'll be disappointed. Have at it! I can't wait for the next one.1 of 1 people found the following review helpful. I know that I did enjoy it and I do like reading about the sisters ...By Patricia A. DobbinsIt has been a while since I read this book and don't think there was any violence in it but just can't remember. I know that I did enjoy it and I do like reading about the sisters and their father.0 of 0 people found the following review helpful. One of the best of the seriesBy Kathey CoonceThis is one of the best of the entries in this series. I miss that Brandon wasn't in it very much as I like Bernie and Brandon the best of the characters. Marvin also wasn't in it much and he is a realistic (for a cozy) mystery. The plot was very good, not predictable at all and fun to read. If there is any criticism, I wish this series weren't tied to holidays. There really wasn't much to tie this to Mother's Day but the story was excellent. Look forward to the next entry in the series.

Mother's Day in sleepy Longely, New Yorkhellip;what could go wrong? When an overworked mother's prank turns deadly, catering sisters Bernie and Libby Simmons must cook up a plan to clear her namehellip;Bernie's college roommate Ellen Hadley is burning the candle at both ends. And after her children forget her birthday and her husband forgets their anniversary, her Mother's Day expectations are understandably modest. When Bernie jokingly suggests Ellen fake her own kidnapping to set her family straight, she never imagined the stunt would find Ellen in a hotel room next to a dead body. Bernie can't help but feel guilty for helping her friend concoct a recipe for disaster, so she and her sister Libby enlist the help of Ellen's kids, and together, they must race to find the true culprit--before Mother's Day is postponed indefinitelyhellip;Includes Original Recipes for You to Try!

Delicious Praise For Isis Crawford And Her Mouth-Watering Mysteries! A Catered Fourth Of July Framed with scenes of food preparation and sales, and supported by the richly portrayed relationship between the sisters and their widowed father, this satisfying cozy will appeal to fans of Joanne Fluke s Hannah Swensen mysteries. ""Booklist"" Scorned women, jealous husbands, Wiccans, and Hilda the pet pig add to the cozy fun. ""Publishers Weekly"" A pleasant and entertaining mystery with the perfect mix of crime, family dynamics and good food. ""RT Book s ""A Catered St. Patrick s Day Cozy fans will appreciate the zany characters, witty dialogue and puzzling plot. ""Publishers Weekly"" A Catered Christmas Comical minor arguments, bitchy asides, cookie dependencies, and useful recipes keep this moving. ""Library Journal"" A Catered Murder Fans who love culinary mysteries are going to gain pounds after reading this delicious who-done-it. ""I Love a Mystery"" About the Author Isis Crawford was born in Egypt to parents who were in the diplomatic corps. When she was five, her family returned to the States, where her mother opened a restaurant in Upper Westchester County and her father became a university professor. Since then Isis has combined her parents' love of food and travel by running a catering service as well as penning numerous travel-related articles about places ranging from Omsk to Paraguay. Married, with twin boys, she presently resides in Hastings-on-Hudson, New York, where she is working on the next Bernie and Libby culinary mystery. Readers can visit her website at www.isiscrawford.com.
